Re: Corpus Christi Fire Department Plan Review Submittal Instructions effective July 21, 2020

All forms and Plan review documents listed below should be submitted electronically in PDF format to our SharePoint site. If you have not been issued an SharePoint link, please email Chief Tony Perez at JuanPer@cctexas.com with your name, company name and your email address.

We will create a SharePoint folder and send an upload link to you once your account is created in the SharePoint site. This is required for initial setup only. After you receive your link you will be able to upload all document for future submittals.

Note: You must have a Microsoft account to access the folder, if you do not already have one, you can create a free account at <https://account.microsoft.com>

Once you have access to SharePoint, select CCFD plan submittal link on top left side of page. please upload your documents in pdf format to the folder corresponding with the type of plan submittal (Fire Alarm, Sprinkler, etc.) There is also a folder titled Plan Documents Required that has the forms that are required for a particular type submittal.

Initial submittal and re-submittals will require the following forms to be uploaded. All forms can also be found on the Fire Department website in the Resources section at <https://www.cctexas.com/detail/fire-code-inspections-permits>
