Rebecca Huerta  
City Secretary

The Corpus Christi Aquifer Storage and Conservation District (CCASRCD) will be holding a public hearing for new well applications for the City of Corpus Christi.

Applicant Name: City of Corpus Christi

Applicant address: 1201 Leopard St, Corpus Christi, TX 78401

Property Owner Name: City of Corpus Christi

Date of Application: November 25, 2025

Application Numbers: *See Table Below*

Date Applications Administratively Complete: December 02, 2025

Well Locations: *See Table Below*

Coordinates: *See Table Below*

Application Summary: The City of Corpus Christi has requested drilling permits for 20 water wells. The City of Corpus Christi files these applications for authorization to register 20 non-exempt water wells and produce up to 17,920 acre-feet of groundwater per year from the Eastern Nueces Well Field on 15.5 acres of land and 29,028 acre-feet of groundwater per year from the Western Nueces Well Field on 248.5 acres of land. The well field parcels of land are owned 100% by the City of Corpus Christi. The water produced is intended for use in the public supply.

Permit Summary: The permit will authorize groundwater production for municipal purposes from a constructed well in Nueces County. Location and production limits are described above. Pursuant to the Districts Rules and Regulations, Rule 6.1, the applicant has requested the maximum allowable production for a retail public water utility. The District will consider the service needs and service area of the retail public water utility in addition to or in lieu of surface area owned or operated by the retail public water utility. If necessary, the Board may adjust the maximum allowable production upon permit renewal to achieve desired future conditions adopted by the District.
