NOTICE OF Public Hearing

The Corpus Christi Aquifer Storage and Conservation District (CCASRCD) will be holding a public hearing for new well applications for the City of Corpus Christi.

Time and Date of Hearing: 06/26/2026 at 12:00 PM

Location of Hearing: 1201 Leopard St., Corpus Christi, TX 78401, 6th Floor Conference Room

Applicant Name: City of Corpus Christi

Applicant address: 1201 Leopard St, Corpus Christi, TX 78401

Property Owner Name: City of Corpus Christi

Date of Application: June 9, 2026

Application Numbers: *See Table Below*

Well Locations: *See Table Below*

Coordinates: *See Table Below*

Application Summary: The City of Corpus Christi has requested drilling permits for 15 water wells. The City of Corpus Christi files these applications for authorization to register 15 non-exempt water wells on 2,378.67 acres of land, and to amend existing permit applications to requests that the authorized annual production associated with the Western Well Field permits be administered on an aggregated basis across all permitted wells within the Western Well Field and the extension, for a total not to exceed 29,028 acre-feet per year. The Western well field extension is located on parcels of land owned by ERF Real Estate, inc. The water produced is intended for use in the public supply.

Permit Summary: The permit will authorize groundwater production for municipal purposes from constructed wells in Nueces County. Location and production limits are described above. Pursuant to the Districts Rules and Regulations, Rule 6.1, the applicant has requested the maximum allowable production for a retail public water utility. The District will consider the service needs and service area of the retail public water utility in addition to or in lieu of surface area owned or operated by the retail public water utility. If necessary, the Board may adjust the maximum allowable production upon permit renewal to achieve desired future conditions adopted by the District.
