City Secretary

Gulfway Mobile Home Park has petitioned the City of Corpus Christi to consider a change of zoning from the “CG-2” General Commercial District to the “CG-2/SP” General Commercial with a Special Permit District, not resulting in a change to the Future Land Use Map. The property to be rezoned is described as:

A property located at or near 7409 McArdle Road, described as the Joslin Tract— .59 acres out of Lot 8, Block A, as established by metes and bounds, located along the south side of McArdle Road, north of South Padre Island Drive, east of Rodd Field Road, and west of Ennis Joslin Road. See map on the reverse side.

The City Council will conduct a public hearing and first reading to discuss and act on this rezoning request on **Tuesday, April 14, 2026**, during one of its regular meetings, which begins at **11:30 a.m.** The hearing will be held in the City Council Chambers, **1201 Leopard Street**. You are invited to attend this public hearing to express your views on this rezoning. For more information, call (361) 826-3105.

The City Council may recommend other intermediate zoning classifications and/or Special Permits. Approval of a change of zoning, if inconsistent with the City's Comprehensive Plan, will also have the effect of amending the Comprehensive Plan to reflect the approved zoning.

Persons with disabilities planning to attend this meeting, who may require special services, are requested to contact the City Secretary's Office at least 48 hours in advance at 361-826-3105.
