ABOUT THE COMMUNITY

Located along the Texas Gulf coast, Corpus Christi is a vibrant coastal city with a population of approximately 320,000 residents. Known for its beautiful beaches, warm climate, and rich cultural heritage, Corpus Christi is one of Texas' largest cities and offers a compelling mix of urban amenities and relaxed coastal living.

The community enjoys a diverse economy anchored by energy, port-related commerce, tourism, healthcare, and defense, with a growing emphasis on sustainability and innovation. Residents benefit from an affordable cost of living compared to other major Texas metros, excellent educational opportunities, and abundant outdoor recreation. Popular activities include boating, fishing, birding, paddleboarding, and exploring nearby nature preserves and coastal parks.

Corpus Christi's history is deeply tied to maritime commerce and coastal culture, and today the city blends historic neighborhoods with modern infrastructure, revitalized downtown districts, and ongoing public investment. The community takes pride in its strong sense of identity, access to natural beauty, and commitment to quality of life.

With a welcoming atmosphere, family-friendly neighborhoods, and year-round sunshine, Corpus Christi offers an exceptional place to live, work, and lead.

GOVERNANCE & ORGANIZATION

Corpus Christi operates under a Council-Manager form of government. The Mayor and eight-member City Council serve as the legislative body, while the City Manager acts as the organization's chief executive officer, overseeing daily operations, a \$1.6 billion operating and capital budget, and more than 4,100 employees.

The City provides a full range of municipal services including public safety, public works, utilities, parks and recreation, development services, and animal care services.

THE JOB

The Animal Care Services Department advocates for the humane treatment of animals while protecting public health and safety through animal control, shelter operations, veterinary services, and community education.

Reporting to executive leadership, the Director of Animal Care Services provides overall strategic, operational, and administrative leadership for the department. The Director will lead enforcement operations, shelter and adoption programs, veterinary services, and public outreach while ensuring compliance with local, state, and federal regulations.

A central responsibility of this role is implementing the Citygate Associates operational assessment, which identified 170 recommendations to improve animal welfare outcomes, organizational culture, transparency, and performance metrics. The Director will be charged with executing this multi-year improvement roadmap while rebuilding community trust and confidence.
